Delivery and payment conditions & legal references

The delivery time for up to 10 shock data loggers and the Starter Packages is about 5 to 10 work days after receipt of order. For all other packages, please contact ASPION via e-mail at order@aspion.de to find out about the current delivery times. All prices indicated are plus VAT, postage and packing unless otherwise specified. Payment is due within 10 days after the date of the invoice and receipt of delivery, net cash. Goods remain the property of ASPION GmbH until full payment has been made. We are not bound to the business conditions of our customers, even in the case that we do not expressly refuse to accept them. They shall not apply even in the case of unrestricted acceptance or completion of the order. Place of fulfillment and jurisdiction is Karlsruhe. All claims of the customer, no matter on what legal grounds, are subject to a limitation period of 12 months after delivery. Changes and/or errors excepted.

A sticker is included for each data logger.
